

FAMILY HEALTH GUIDE

01

Check for symptoms on a daily basis

02

Keep your child home if they have any symptoms related to COVID-19

03

Remind your child to wash their hands frequently, maintain social distancing, and wear a mask

04

Report to the school and keep your child home if there has been close contact with a recent exposure or positive test results. The school will help determine when your child can return.

05

If you are unsure, contact your doctor or your child's health staff
