

Attention: Blue Horizons Parents/Guardians (of current 8th grade students).

Your Blue Horizons current 8th grade student's home high school is Estrella Foothills High School.

The Online Enrollment Process (OLR) currently states that Youngker High School is your home school. This is incorrect and we are actively working to correct the boundary restrictions as well as the boundary map. If your 8th grader currently lives with the boundaries of Blue Horizons, your student's high school is Estrella Foothills High School.

Until this is corrected, please read the following scenarios, and follow the steps that apply to your family. You will need to complete an Open Enrollment Form for all of the scenarios below in order to complete your student's enrollment. This form is part of the OLR process.

Thank you for your patience.
