SubSource by Educational Services, Inc. (ESI) is a program designed to connect school districts with substitute teaching professionals. ESI has a passion for education, helping people, and making a positive impact in our District and throughout the state.

The District developed a community partnership with ESI to provide support and resources for substitutes and guest teachers who play a vital role in delivering a quality education and ensuring student success.

Founded by three educators in 1999, ESI is the founder and leader of the return-to-work/phased retirement program in Arizona, and the largest provider of substitute teacher services in the state.
